18<sup>th</sup> May 2023

Dear Parent/Carer

## Science Club - Summer Term 2

I run a **Science Club** after school every **Thursday from 3pm until 4pm.**

Science Club gives students the opportunity to plan and carry out different experiments and investigations, helping to broaden their understanding of science around them. As part of Science Club, we have enrolled in The CREST Awards which is a recognised qualification in STEM.

Science club will run every week from **Thursday 8<sup>th</sup> June 2023 - Thursday 20<sup>th</sup> July 2023**, unless staff training or technical issues force closure. Should cancellation arise you will be notified in advance. Please note you will be responsible for the prompt collection of your child from school at 4pm and you will need to inform your transport provider where applicable.

Spaces are allocated on a first come, first served basis and parents/carers will be notified in their child's communication diaries if they have a place.

If your child is interested, please complete the attached consent form and return to school.

Yours sincerely,

Mr I Griffiths  
Curriculum Area Learning Supervisor
