Dear Parent/Carer

Reading Club- Autumn Term 2

We will be running a Reading Club after school, for students who enjoy reading and/or require additional support with reading. The club is for independent reading and students can bring in their own book or borrow from the school library. There will also be the option for students to use the computers to access electronic books on myON. **The club will run after school on Thursdays from 3:00pm - 4:00pm.** The sessions for Autumn term will start from Thursday 9th November 2023 and run until Thursday 21st December 2023.

Places are limited and are offered on a first come first served basis. Whilst staff will endeavour to give all students the support that they need with their reading, we would ask parents/carers to continue supporting their child at home.

If your child would like to attend Reading Club, please complete the reply slip below and return to Ms Gardiner. Your child will only be able to start the club once a confirmation slip has been sent out to you in your child's diary. This will confirm their place and start date.

You will also need to make arrangements for your child to be collected promptly at 4.00pm on Thursdays.

Yours sincerely

R Gardiner
Student Mentor Support Assistant
