Dear Parent/Carer

Explorer PE as part of physical sensory curriculum

As part of your Childs physical and sensory curriculum they take part a in range of activities including PE once a week.

To increase the amount of time the students are active in the lesson this year students will not get changed for PE in school. Instead, they are expected to come to school already in their PE kits.

NWo's groups has PE Monday lesson 3/4

ISt's group has PE Thursday Lesson 3/4

RHu's group has PE Friday lesson 3/4

CSa's group has PE Friday lesson 5/6

Please see the school communication diary for the full PE kit. However, as students will be outside at break and lunch times and maybe doing their PE lesson outside. I would recommend they come to school in jogging bottoms, with a jumper and coat. They should be prepared to go outside when the weather is cold.

Yours sincerely

Mr P Willett
PE Teacher
