21st October 2024

Dear Parents / Carers,

We are excited to announce that our school will be hosting an **Anti-Bullying Enrichment Day** on Wednesday 13th November 2024. The day will be packed full of activities around the theme of Kindness and will provide our students with a fantastic opportunity to learn important lessons about tolerance, kindness, and respect for others.

As part of the day, we are encouraging all students to wear non-school uniform, but with a bit of a twist - we would love to see as many students as possible wearing **odd socks** as well, whilst helping us to raise money for **Children in Need**, by donating **£1 via ParentPay**.

Since its inception, Odd Socks Day has gained popularity worldwide, with schools, workplaces, and communities embracing the concept to address bullying and prejudice. This simple act of wearing odd socks is a reminder that we should all celebrate our unique qualities and not let anyone make us feel different or excluded. We believe that this will be a fun and engaging way to promote the message of kindness and inclusion, and we hope that you will encourage your child to participate.

We will be providing a range of activities throughout the day to help our students understand the importance of being kind to one another and standing up against bullying in all its forms. We believe that this will be an incredibly valuable experience for our students, and we look forward to a successful and enjoyable day.

Thank you for your continued support.

Yours sincerely,

Mrs E Perry
Deputy Headteacher
