Dear Parents/Carers

Catering prices

We are writing to inform you of an upcoming change in the price of school meals which will take effect from Monday 28th April 2025. Due to a recent increase in costs imposed by Edwards and Ward, our school meal provider, the price of the meals will rise to **£3.20 per meal**, this is an increase of 25p per meal.

We understand that this news may come as an inconvenience for some families. Please be assured that this decision has not been taken lightly, and they have explored all alternatives to minimise the impact on our school community.

We acknowledge that this price increase is unfortunate, but it is necessary to ensure we can continue to provide high quality meals for our children.

It is important to note that if your child is currently eligible for free school meals this change will not affect you.

If you have any questions or concerns, please do not hesitate to contact the school office.

Your sincerely

Mr S Stokes
Headteacher
